No real direction change—it would be great to have OST take the lead to set up—we just need to make sure it happens ☺

John – just talked with Tim and we will move forward with setting the meeting up for this week with Greg and others. Pls note that Tim did not set meeting last week as we were working to have OST set it up. Seeing direction change, we will move out with it.

Thanks,

Yes. Spoke to Greg and he said he would defer to us; I indicated that we need to, so the right group can be engaged. Still close hold.

Russ/Tim-- Also, Greg requested a de-brief of last week's meeting this week. Please coordinate

DRAFT, DELIBERATIVE

Russ/John:

Any word on whether we can share the close-hold redlined version of OSM's revised rule text with other EPA offices? I would like to share with OST (Shari and Manjali), OWM (Brian and Scott), and OGC (Alexis).

Good Afternoon Greg,

As per your conversation with Harry Payne, I am sending you two documents concerning Stream Protection rule. One document summarizes the selected changes from the proposed rule to the draft final rule and the other document is the latest version of the draft final Stream Protection rule with the proposed changes. If you have any questions, please contact me and/or Harry Payne. Thanks.
